review 1: I enjoyed this book but it didn't blow me away. I liked the concept, two teens dealing with different issues meet and form a relationship at a reform school. This book is a dual-perspective novel and the element was done well, although I sometimes had time switching back and forth between characters.

### **[PDF] A Really Awesome Mess Fiction Young Adult Download**

A Really Awesome Mess is fun and cute, as fun and cute as you can possibly expect in a book about teenagers with mental illnesses at a boarding school for troubled teens. For a topic that's decidedly unfunny, this book reads like a lighthearted romp where it could've just as easily been a dark book about modern teens.

review 1: Well I didn't hate it but I didn't love it. It just seemed alright. There a lot of laugh output times and some moments in this book really stuck out and just worked. I also loved the boys who were honest about there personal life in that they were horn dogs.
