1.. Introduction Over the last decade numerous accounting papers investigate the empirical relation between stock market values (or changes in values) and particular accounting numbers for the purpose of assessing or providing a basis of assessing those numbersâ€™™ use or proposed use in an accounting standard.

The relevance of the value-relevance literature for

Highlights This paper reviews the research in accounting for income taxes. We conclude that: Managers use the tax accounts to manage earnings to meet or beat analysts' forecasts. A few studies document associations between book-tax differences and earnings characteristics. It is unclear whether the market prices the information.
