An emerging market is a country that has some characteristics of a developed market, but does not satisfy standards to be termed a developed market. This includes countries that may become developed markets in the future or were in the past. The term "frontier market" is used for developing countries with smaller, riskier, or more illiquid capital markets than "emerging".

### **Emerging market - Wikipedia**

Social capital. The notion of social capital is a useful way of entering into debates about civil society " and is central to the arguments of Robert Putnam and others who want to "reclaim public life"™.
