

conflict analysis and dispute pdf

Water conflict is a term describing a conflict between countries, states, or groups over an access to water resources. The United Nations recognizes that water disputes result from opposing interests of water users, public or private. A wide range of water conflicts appear throughout history, though rarely are traditional wars waged over water alone. ...

Water conflict - Wikipedia

Conflict resolution is conceptualized as the methods and processes involved in facilitating the peaceful ending of conflict and retribution. Committed group members attempt to resolve group conflicts by actively communicating information about their conflicting motives or ideologies to the rest of the group (e.g., intentions; reasons for holding certain beliefs) and by engaging in collective ...

Conflict resolution - Wikipedia

A Synopsis of the Israel/Palestine Conflict. The following is a very short synopsis of the history of this conflict. We recommend that you also read the much more detailed account, "The Origin of the Palestine-Israel Conflict."
