A used car, a pre-owned vehicle, or a secondhand car, is a vehicle that has previously had one or more retail owners. Used cars are sold through a variety of outlets, including franchise and independent car dealers, rental car companies, leasing offices, auctions, and private party sales. Some car retailers offer "no-haggle prices," "certified" used cars, and extended service plans or warranties

Edsel is an automobile marque that was planned, developed, and manufactured by the Ford Motor Company for model years 1958 thru 1960. With the Edsel, Ford had expected to make significant inroads into the market share of both General Motors and Chrysler and close the gap between itself and GM in the domestic American automotive market.
