There is no question that digital video is garnering major consumer attention and that brands want to be a part of the experience. In order to fulfill digital video's long-term promise of delivering powerful brand advertising at scale, IAB is devoted to the advancement of the digital video medium in the global marketplace.

IAB

Digital currency (digital money, electronic money or electronic currency) is a type of currency available in digital form (in contrast to physical, such as banknotes and coins). It exhibits properties similar to physical currencies, but can allow for instantaneous transactions and borderless transfer-of-ownership.

CP 296 Funds management | ASIC - Australian Securities and

A digital divide is an economic and social inequality with regard to access to, use of, or impact of information and communication technologies (ICT). The divide within countries (such as the digital divide in the United States) may refer to inequalities between individuals, households, businesses, or geographic areas, usually at different socioeconomic levels or other demographic categories.

Why cite datasets and link them to publications? The motivation to cite datasets [1] arises from a recognition that data generated in the course of research are just as valuable to the ongoing academic discourse as papers and monographs. Scientific journals have traditionally supported research by disseminating knowledge in such detail that first, peer scientists could judge the strength of ...
