Number: 0213. Policy. Aetna considers the Bard EndoCinch Suturing System (C.R. Bard Inc., Murray Hill, NJ) experimental and investigational for the management of members with gastro-esophageal reflux disease (GERD) and all other indications because there is insufficient published scientific evidence to support the effectiveness of these interventions, especially with respect to long-term outcomes.

When referring to human feces, blood in stool looks different depending on how early it enters the digestive tract—and thus how much digestive action it has been exposed to—and how much there is. The term can

refer either to melena, with a black appearance, typically originating from upper gastrointestinal bleeding; or to hematochezia, with a red color, typically originating from lower ...

A smart meter is an electronic device that records consumption of electric energy and communicates the information to the electricity supplier for monitoring and billing. Smart meters typically record energy hourly or more frequently, and report at least daily. Smart meters enable two-way communication between the meter and the central system.
