In the books citation, note the following: abbreviation of authors first name (one or both initials ok); capitalize title as if it was a sentence; the title is not underlined (contrary to literary format)

How to Write Guide: How to Cite Other Papers in Your Paper

Periodical literature (also called a periodical publication or simply a periodical) is a category of serial publications that appear in a new edition on a regular schedule. The most familiar example is the magazine, typically published weekly, monthly, or quarterly. Newspapers, often published daily or weekly, are, strictly speaking, a separate category of serial.

Writing a Research Proposal Is a Piece of Cake with Us

A white paper is an authoritative report or guide that informs readers concisely about a complex issue and presents the issuing body's philosophy on the matter. It is meant to help readers understand an issue, solve a problem, or make a decision. The initial British term concerning a type of government-issued document has proliferated, taking a somewhat new meaning in business. In business, a ...

Why a Scientific Format? The scientific format may seem confusing for the beginning science writer due to its

rigid structure which is so different from writing in the humanities. One reason for using this format is that it is a means of efficiently communicating scientific findings to the broad community of scientists in a uniform manner.

This webpage is for Dr. Wheeler's literature students, and it offers introductory survey information concerning the literature of classical China, classical Rome, classical Greece, the Bible as Literature, medieval literature, Renaissance literature, and genre studies.

Literary Terms and Definitions: S - Carson-Newman College

Source citations in the Turabian manual come in two varieties: (1) notes and bibliography (or simply notes) and (2) author-date. These two systems are also sometimes referred to as Chicago-style citations, because they are the same as the ones presented in The Chicago Manual of Style.. If you already know which system to use, follow one of the links above to see sample citations for a variety ...
