Family Properties How The Struggle Over Race And Real

Family Properties: Race, Real Estate, and the Exploitation of Black Urban America is a monumental work of history, this tale of racism and real estate, politics and finance, will forever change our understanding of the forces that transformed urban America.

Family Properties: How the Struggle Over Race and Real

The fact that approximately 85% of the properties sold to black Chicagoans were sold on contract “ and that there were close to a million black people in Chicago by the mid-1960s “ gives a sense of the scale of the exploitation.
