

for the new intellectual pdf

For the New Intellectual contains some of Rand's most important passages on other philosophers, including Aristotle, Plato, Hume, Kant, Hegel and Nietzsche. Many of its selections also develop Rand's unprecedented critique of altruism -- the notion that our basic moral obligation is to live for others.

that the step was first, the road new, the vision unborrowed, and the response they received --hatred. The great creators --the thinkers, the artists, the scientists, the inventors-- stood alone against the men of their time. Every great new thought vate purpose. I want power. I want my world of the future. Let all live for all.
