Free will is the ability to choose between different possible courses of action unimpeded.. Free will is closely linked to the concepts of responsibility, praise, guilt, sin, and other judgements which apply only to actions that are freely chosen. It is also connected with the concepts of advice, persuasion, deliberation, and prohibition. Traditionally, only actions that are freely willed are ...

Christian Zionism is a belief among some Christians that the return of the Jews to the Holy Land and the establishment of the state of Israel in 1948 were in accordance with Bible prophecy. The term began to be used in the mid-20th century, superseding Christian Restorationism.. Traditional Catholic thought did not consider Zionism in any form. However Christian advocacy grew after the ...
