The most comprehensive survey of Polish history available in English, God's Playground demonstrates Poland's importance in European history from medieval times to the present. Abandoning the traditional nationalist approach to Polish history, Norman Davies instead stresses the country's rich multinational heritage and places the development of the Jewish German, Ukrainian, and Lithuanian communities firmly within the Polish context.

God's Playground: A History Of Poland, Vol. 2: 1795 To The

God's Playground has been sitting on my bookshelf for years. I can't believe that I waited so long to read it. It was a long and dense read, but this book gives its reader a view of history of Poland (though with a focus on the commonwealth) great detail which I haven't really seen in a history book before and for that reason, I love it.

God's Playground: A History of Poland, Vol. 1: The Origins
