Benjamin Banneker (November 9, 1731 – October 9, 1806) was a free African American almanac author, surveyor, naturalist, and farmer. Born in Baltimore County, Maryland, to a free African American woman and a former slave, Banneker had little formal education and was largely self-taught. He is known for being part of a group led by Major Andrew Ellicott that surveyed the original borders of the ...

Samizdat was a form of dissident activity across the Eastern Bloc in which individuals reproduced censored and underground publications by hand and passed the documents from reader to reader. This grassroots

practice to evade official Soviet censorship was fraught with danger, as harsh punishments were meted out to people caught possessing or copying censored materials.
