Kraken by China Mieville is about as predictable and formulaic as a book about a squid sect amidst a London underground teaming with competing cults and all under the shadow of the end of the world can be. Weird, weird book. But then, Mieville is supposed to be among the vanguard of the weird fiction group.

### **Kraken by China Mieville - Goodreads**

China Mieville meets this challenge in his latest-but-one book, *Kraken: An Anatomy*. *Kraken*'s story adopts a trope immediately recognizable for any fantasy reader not limited to the epic, sword and sorcery, or other-worldly subgenres: that of the hidden twin to the great city, the uncanny community nestled in the shadows of a metropolis.
