

lussier achua leadership 5th pdf

Servant leadership expands upon this value element by promoting self- transcendence in the service of supporting the growth and development of others (Lussier & Achua, 2007).

Holistic Leadership: A Model for Leader-Member Engagement

Leadership is both a research area and a practical skill encompassing the ability of an individual or organization to "lead" or guide other individuals, teams, or entire organizations. [citation needed] Specialist literature debates various viewpoints, contrasting Eastern and Western approaches to leadership, and also (within the West) United States versus European approaches.
