Message In A Bottle. Nicholas Sparks. PROLOGUE. The bottle was dropped overboard on a warm summer evening, a few hours before the rain began to fall. Like all bottles, it was fragile and would break if dropped a few feet from the ground. But when sealed properly and sent to sea, as this one was, it became one of the most seaworthy objects known to man.

The bottle that had been dropped on a warm summer evening, however, did not contain a message about a shipwreck, nor was it being used to chart the seas. But it did contain a message that would change two people forever, two people who would otherwise never have met, and for this reason it could be called a fated message.
