2 Dr. Rachel White earned her doctorate in Child Psychology at the Institute of Child Development, University of Minnesota. Dr. White's research focuses on how children can benefit from play and imagination in

early childhood.

### **THE POWER OF PLAY - [childrensmuseums.org](http://childrensmuseums.org)**

Play is essential to development because it contributes to the cognitive, physical, social, and emotional well-being of children and youth. Play also offers an ideal opportunity for parents to engage fully with their children. Despite the benefits derived from play for both children and parents, time for free play has been markedly reduced for some children.
