

naming the world and pdf

Naming the World is a collection of over two hundred outstanding poems, accompanied by five-to-ten minute lessons, that Nancie Atwell uses each day to launch her writing-reading workshop. Reading and discussing great poems changes her students: helps them gain perspective on their identities and make sense of their worlds, while honing their skills as critical readers and intentional writers.

Lesson 1: The Seven Continents . This lesson is the first in a series of lessons that introduce children to the Seven Continents. During this lesson children should begin to understand that continents are very large areas of land. This may be a difficult concept for young children to grasp, but foundations can be laid for future understanding.
