Certified Dietary Manager (CDM) Exam

A model for the future. Literature on collaboration between lymphedema therapists and wound care clinicians is minimal. Lymphedema management has never belonged to any medical specialty, and only recently have U.S. clinicians become more aware of this disorder and its management.

A collaborative approach to wound care and lymphedema

In this two-day program, participants will explore selected topics that every med-surg healthcare practitioner should know. General concepts will be covered to allow application to a wide variety of care settings, and comprehensive assessment and treatment modalities will be introduced to stimulate the experienced clinician.
