Lived religion The praxis of practical theology

In *Practical Theology for Women*, Alsup uses the power of theology to address practical issues in women's lives. Her book opens with a general discussion of theology and addresses the most fundamental and practical issue of theology: faith.

Practical Theology for Women: How Knowing God Makes a

Practical Theology is made up of three aspects: 1. 'practical moral reasoning', 2. 'the interpretation of particular situations', and 3. 'the enactment of concrete responses'. Osmer discusses Practical Theology within the context of developing a renewed model of Christian education.

The Nature of Practical Theology - BiblicalStudies.org.uk

This book does not come close to those. Wendy argues that practical theology IS deep theology, and her book is written for women because others are written BY men FOR men. For one, I have never found a theology book to be audience-gender specific, and they were much more challenging and rewarding.
