All of the women thus far in the series have backbones of steel and are quite good matches for the hardened yet loving SEAL men they are meant for. This book could have used just a touch more editing and a bit of finessing but it fills that need for the super woman who just needs a good man to get her through it.

Hunter "Cookie" Knox was good at his job, infiltrating behind enemy lines was one of his specialties. His SEAL team relied on him to do his job, just as he relied on them to do theirs. Ever since two of his teammates found a woman that completed them, their dangerous Ops seemed a bit more intense. Cookie knew if he had a woman who belonged to him, he'd never let her go.
