

short prose reader 13th pdf

A short story is a piece of prose fiction that typically can be read in one sitting and focuses on a self-contained incident or series of linked incidents, with the intent of evoking a "single effect" or mood, however there are many exceptions to this.. A dictionary definition is "an invented prose narrative shorter than a novel usually dealing with a few characters and aiming at unity of ...

Short story - Wikipedia

A novel is a relatively long work of narrative fiction, normally in prose, which is typically published as a book.. The entire genre has been seen as having "a continuous and comprehensive history of about two thousand years", with its origins in classical Greece and Rome, in medieval and early modern romance, and in the tradition of the Italian renaissance novella.
