as well. We hope that by communicating more precise information with greater clarity, we can accelerate the pace of research, reduce the on-boarding time for new researchers, and play a more

July27,2018 arXiv:1807.03341v2 [stat.ML] 26 Jul 2018

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date youœ™re citing.

Paper is a thin material produced by pressing together moist fibres of cellulose pulp derived from wood, rags or grasses, and drying them into flexible sheets. It is a versatile material with many uses, including writing, printing, packaging, cleaning, decorating, and a number of industrial and construction processes. Papers are essential in legal or non-legal documentation.
