Introduction - Google Earth User Guide

The Color of Earth; tr. from the Korean by Lauren Na; written and illus. by Kim Dong Hwa. First Second, 2009 312p. ... the textures inked in the fabrics and the details of the landscapes suggest breathtaking beauty and rich color to complement the lyrical music of the text, which at times becomes poetic.

Project MUSE - The Color of Earth (review)

The Color of Earth is for older teens and adults, a coming of age story. It's a graphic novel done in the manhwa style who is the Korean equivalent to manga. I give this book five stars because I loved the mother-daughter relationship, the use of poetry in portions of the novel, and some of the artwork was stunning and lyrical.

The Color of Earth (Color Trilogy, #1) by Kim Dong Hwa

This is a great story to teach children about the world around them and the people in it. Children, people are created to resemble the colors of the earth.

All the Colors of the Earth (Mulberry Books): Sheila

The Color of Earth is a beautiful story and I loved every page. This is simply a story about a little girl asking questions about her body and becoming a young woman. As a mother of two young daughters, I would want them to read this book at the appropriate age, probably 13 years old; that is how old Ehwa is at the end of the book.
