very meaning of human differences. Anthropology has also been concerned with the so-called psychic unity of humankind, and with the fact that races and peoples the world over are essentially the same, both in terms of evolutionary biology and the acquisition and manipulation of culture. Tensions

ANTHROPOLOGY, Anthropology, History of HISTORY OF

A Short History of Human Rights. The belief that everyone, by virtue of her or his humanity, is entitled to certain human rights is fairly new. Its roots, however, lie in earlier tradition and documents of many cultures; it took the catalyst of World War II to propel human rights onto the global stage and into the global conscience.
