

thea test study guide pdf

A topic that is hotly debated among test taking circles is whether or not you should read the reading passages before you read the question. One theory is that you can save time if you read the questions first and then go back and read over the passage. Another theory is that you should read the passage first and then go into the questions.

THEA Test Study Guide

THEA Test Preparation Quick Reference Guide This guide describes the THEA Test, explains how to develop an effective study plan, and provides general test-taking strategies, sample test items, and a complete list of THEA test skills.
