What originally brought to mind Maine's conception of ancient societies were some passages I read in Nassim Nicholas Taleb's latest book Skin In the Game.. Taleb makes the point that things don't necessarily scale up; when they do, they lose the characteristics that allow them to operate on the smaller scale.

This is the third year I teach the introduction course in Chinese at Linköping University here in Sweden.

Each time I've taught this course, I've felt the lack of a beginner-friendly radical list. I often tell students that learning character components is essential, that it's a long-term ...
