A not always very easy to read, but practical copy & paste format has been chosen throughout this manual. In this format all commands are represented in code boxes, where the comments are given in blue color. To save space, often several commands are concatenated on one line and separated with a semicolon ';

Goals To have students and trainers get to know each other and provide an overview of what to expect to learn about networking. Unit Plan #1 Exercise: Interesting and Exciting Jobs

Teaching Networking Skills: Paving a Way to Jobs and Careers

Quote HSE " Success in managing major Hazards is not measured by the Occupational Health and Safety Statistics but by measuring the performance of critical systems used to control risks to ensure they are operating as intended.. This statement is a very powerful statement and i want to stand on the premise that it

should form the basis of assessing and formulating regulation regimes.

Topic 9: Safety and risk management in oil and gas

This page provides an annotated, topic-based collection of available resources for statistics, statistical graphics, and computation related to research, data analysis and teaching, now containing over 580 links.
