history begins much later: in Greece, about 3,500 years ago; in China, about 2,000 years ago; and in many other parts of the world, after the 15th century C.E. with the arrival of Western explorers and missionaries.

The Encyclopedia of World History - Tabriz

Bridging World History is a multimedia course for secondary school and college teachers that looks at global patterns through time, seeing history as an integrated whole. Topics are studied in a general chronological order, but each is examined through a thematic lens, showing how people and societies experience both integration and differences.
