Going home with a new baby is exciting, but it can be scary, too. Newborns have many needs, like frequent feedings and diaper changes. Babies can have health issues that are different from older children and adults, like diaper rash and cradle cap.. Your baby will go through many changes during the first year of life. You

may feel uneasy at first.

Infant and Newborn Care: MedlinePlus

Baby older than 3 months? Check out the 3-6 month sleep guide. As much as the idea of snuggling up with a newborn all day long for days (err, months) on end sounds kind of nice at first, when you get in the thick of it (i.e. you haven't brushed your teeth since yesterday, your stomach has been making sounds that would scare a bear away and the last time you showered was, well, you can't even ...

0-3 Month Newborn Sleep Guide - Your sleep problems, solved!

Can music make my baby smarter? The jury's still out on this question because not much research is available. Some experts claim that learning to play an instrument makes kids smarter in math, but that conclusion is based on research that focused on older children, not babies and young toddlers.

STEP 2: Now cut along the side seams of the front and back. You should now have TWO pieces of fabric/sweater made from the front and back of your sweater.

Newborn Props: Upcycled Pants- { San Diego Newborn

An infant (from the Latin word infans, meaning "unable to speak" or "speechless") is the more formal or specialised synonym for "baby", the very young offspring of a human. The term may also be used to refer to juveniles of other organisms. A newborn is, in colloquial use, an infant who is only hours, days, or up to one month old. In medical contexts, newborn or neonate (from Latin, neonatus ...
